

Annual Report 2019-20

LAFAYETTE
**PARTNERS IN
EDUCATION**

from the first day to graduation day

Message from Jaia Kaufman, LPIE President 2019-20

This year, our community has come together in extraordinary ways. Thank you for choosing to make education a priority and for supporting LPIE during these challenging times.

We began this past school year with our most ambitious fundraising goal yet, to invest \$4.3 million in our six public schools. Thanks to your donations, and to our partnership with our school parent organizations, LPIE was able to pay for librarians, PE specialists and tech support staff, along with our longstanding commitment to support instructional aides in every elementary classroom in order to help keep student/staff ratios low. Your dollars enabled us to provide Chromebooks, elective choices and supplies, and student programs at Stanley. And because of you, the Acalanes Wellness Center is an essential place where students can turn when they need social-emotional support, and the award-winning Blueprint student newspaper team was able to shift to a magazine format - and begin a literary journal! These are just a handful of the dozens of staff, classes, programs, supplies, and initiatives that we support – thanks to you.

Message from Jaia Kaufman, LPIE President 2019-20

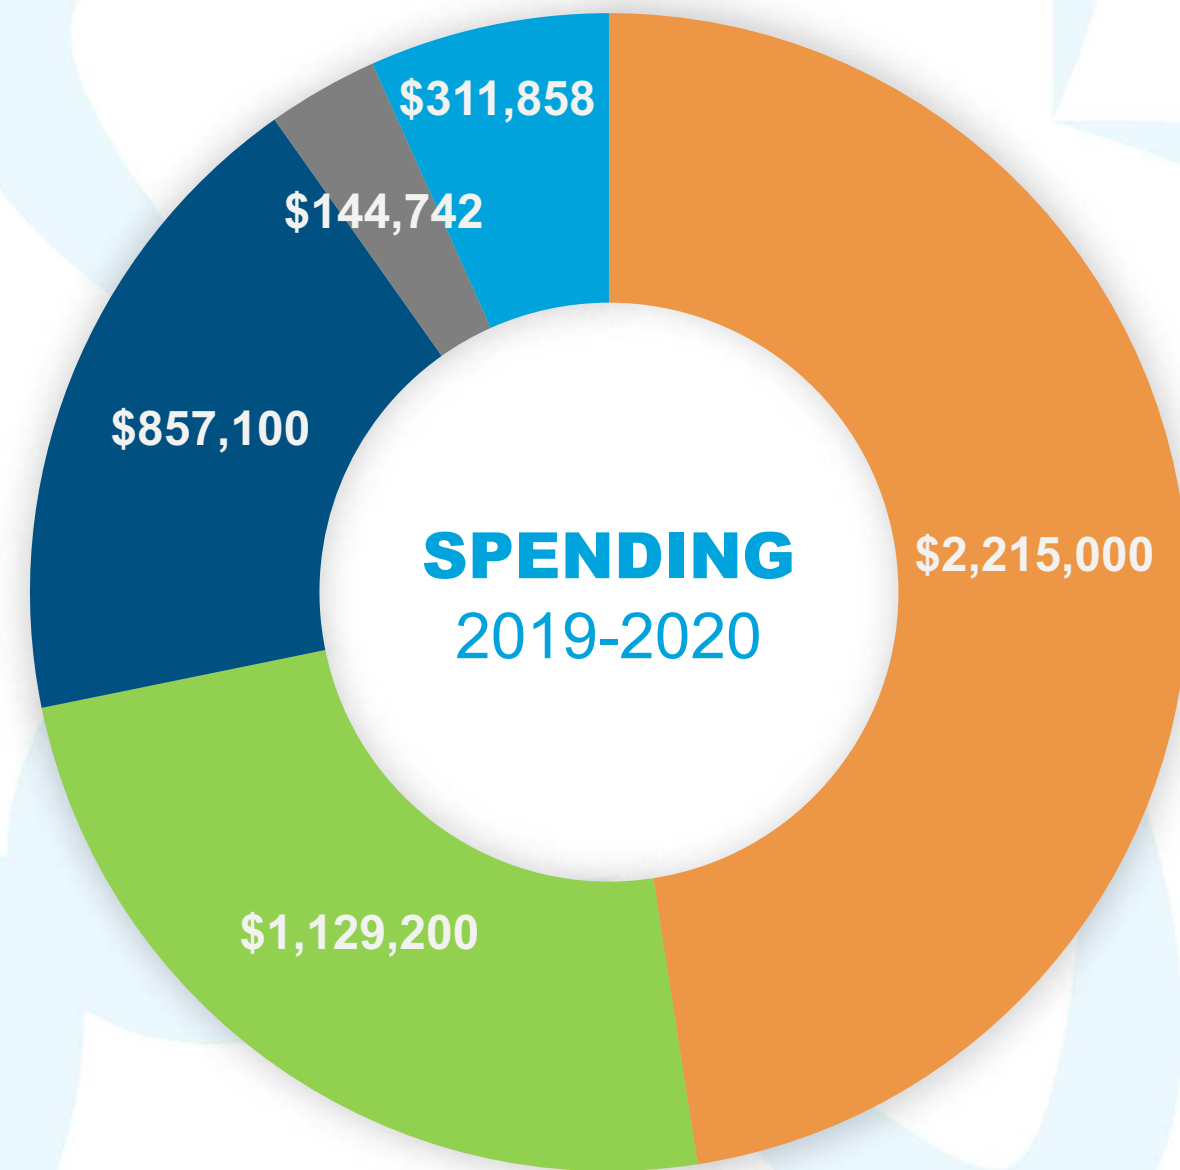

We had no idea that the year would end the way that it has, and our hearts are with our student and parent community, as well as our teachers and administrators, as we do our best to adapt to the uncertainty of the moment, with the goal of ensuring our students and families remain safe, healthy, and able to learn. Because of your donations, LPIE continued to support our schools during distance learning by providing the technology to enable at-home work, rolling out videos of LPIE art, science and music lessons to assist parents and teachers, continuing to fund staff salaries, curriculum, and professional development, and maintaining a strong commitment to student wellness and social-emotional health.

We look forward to showing you how your dollars were put to work this year. *LPIE IS* grateful for your continued support as we navigate the year ahead.

With your donation, volunteer efforts, and support, we provided our schools with over **\$4.3 million in 2019-2020!**

over 1,250 students and \$1.1 million in funding

LPIE at Acalanes High School 2019-20

Electives

More elective opportunities for increased student engagement during the school day.

Wellness

The Acalanes Wellness Center is available to all students, every day, to support their emotional and mental health needs.

Writing Tutors

LPIE Writing Tutors spend over 700 hours with 9th, 10th, and 11th graders to improve writing skills.

Technology

LPIE provides Acalanes with 21st-century classrooms equipped with robust technology, including Smartboards, Design-Making Computers, and iPads.

Chromebooks

Every student gets an LPIE Chromebook for the 4 years of high school.

STEM

Students have the supplies and materials needed to enhance their STEM classes in Science, Engineering, Math, and Robotics.

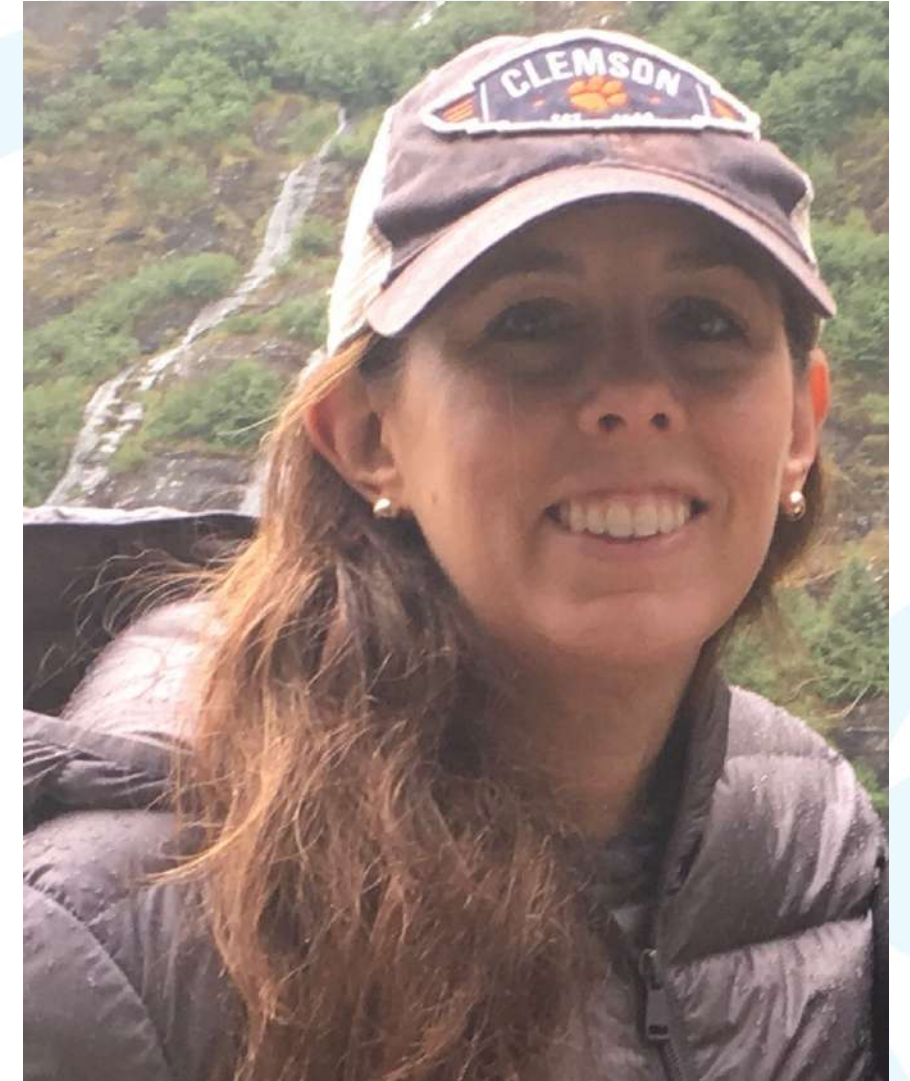

And much, much more...

including funding for Visual & Performing Arts, World Language, Special Ed, English, and Tech Education.

over 1,300 students and \$1 million in funding

From Jennifer Martell, Vice President 2019-2020 and President 2020-2021

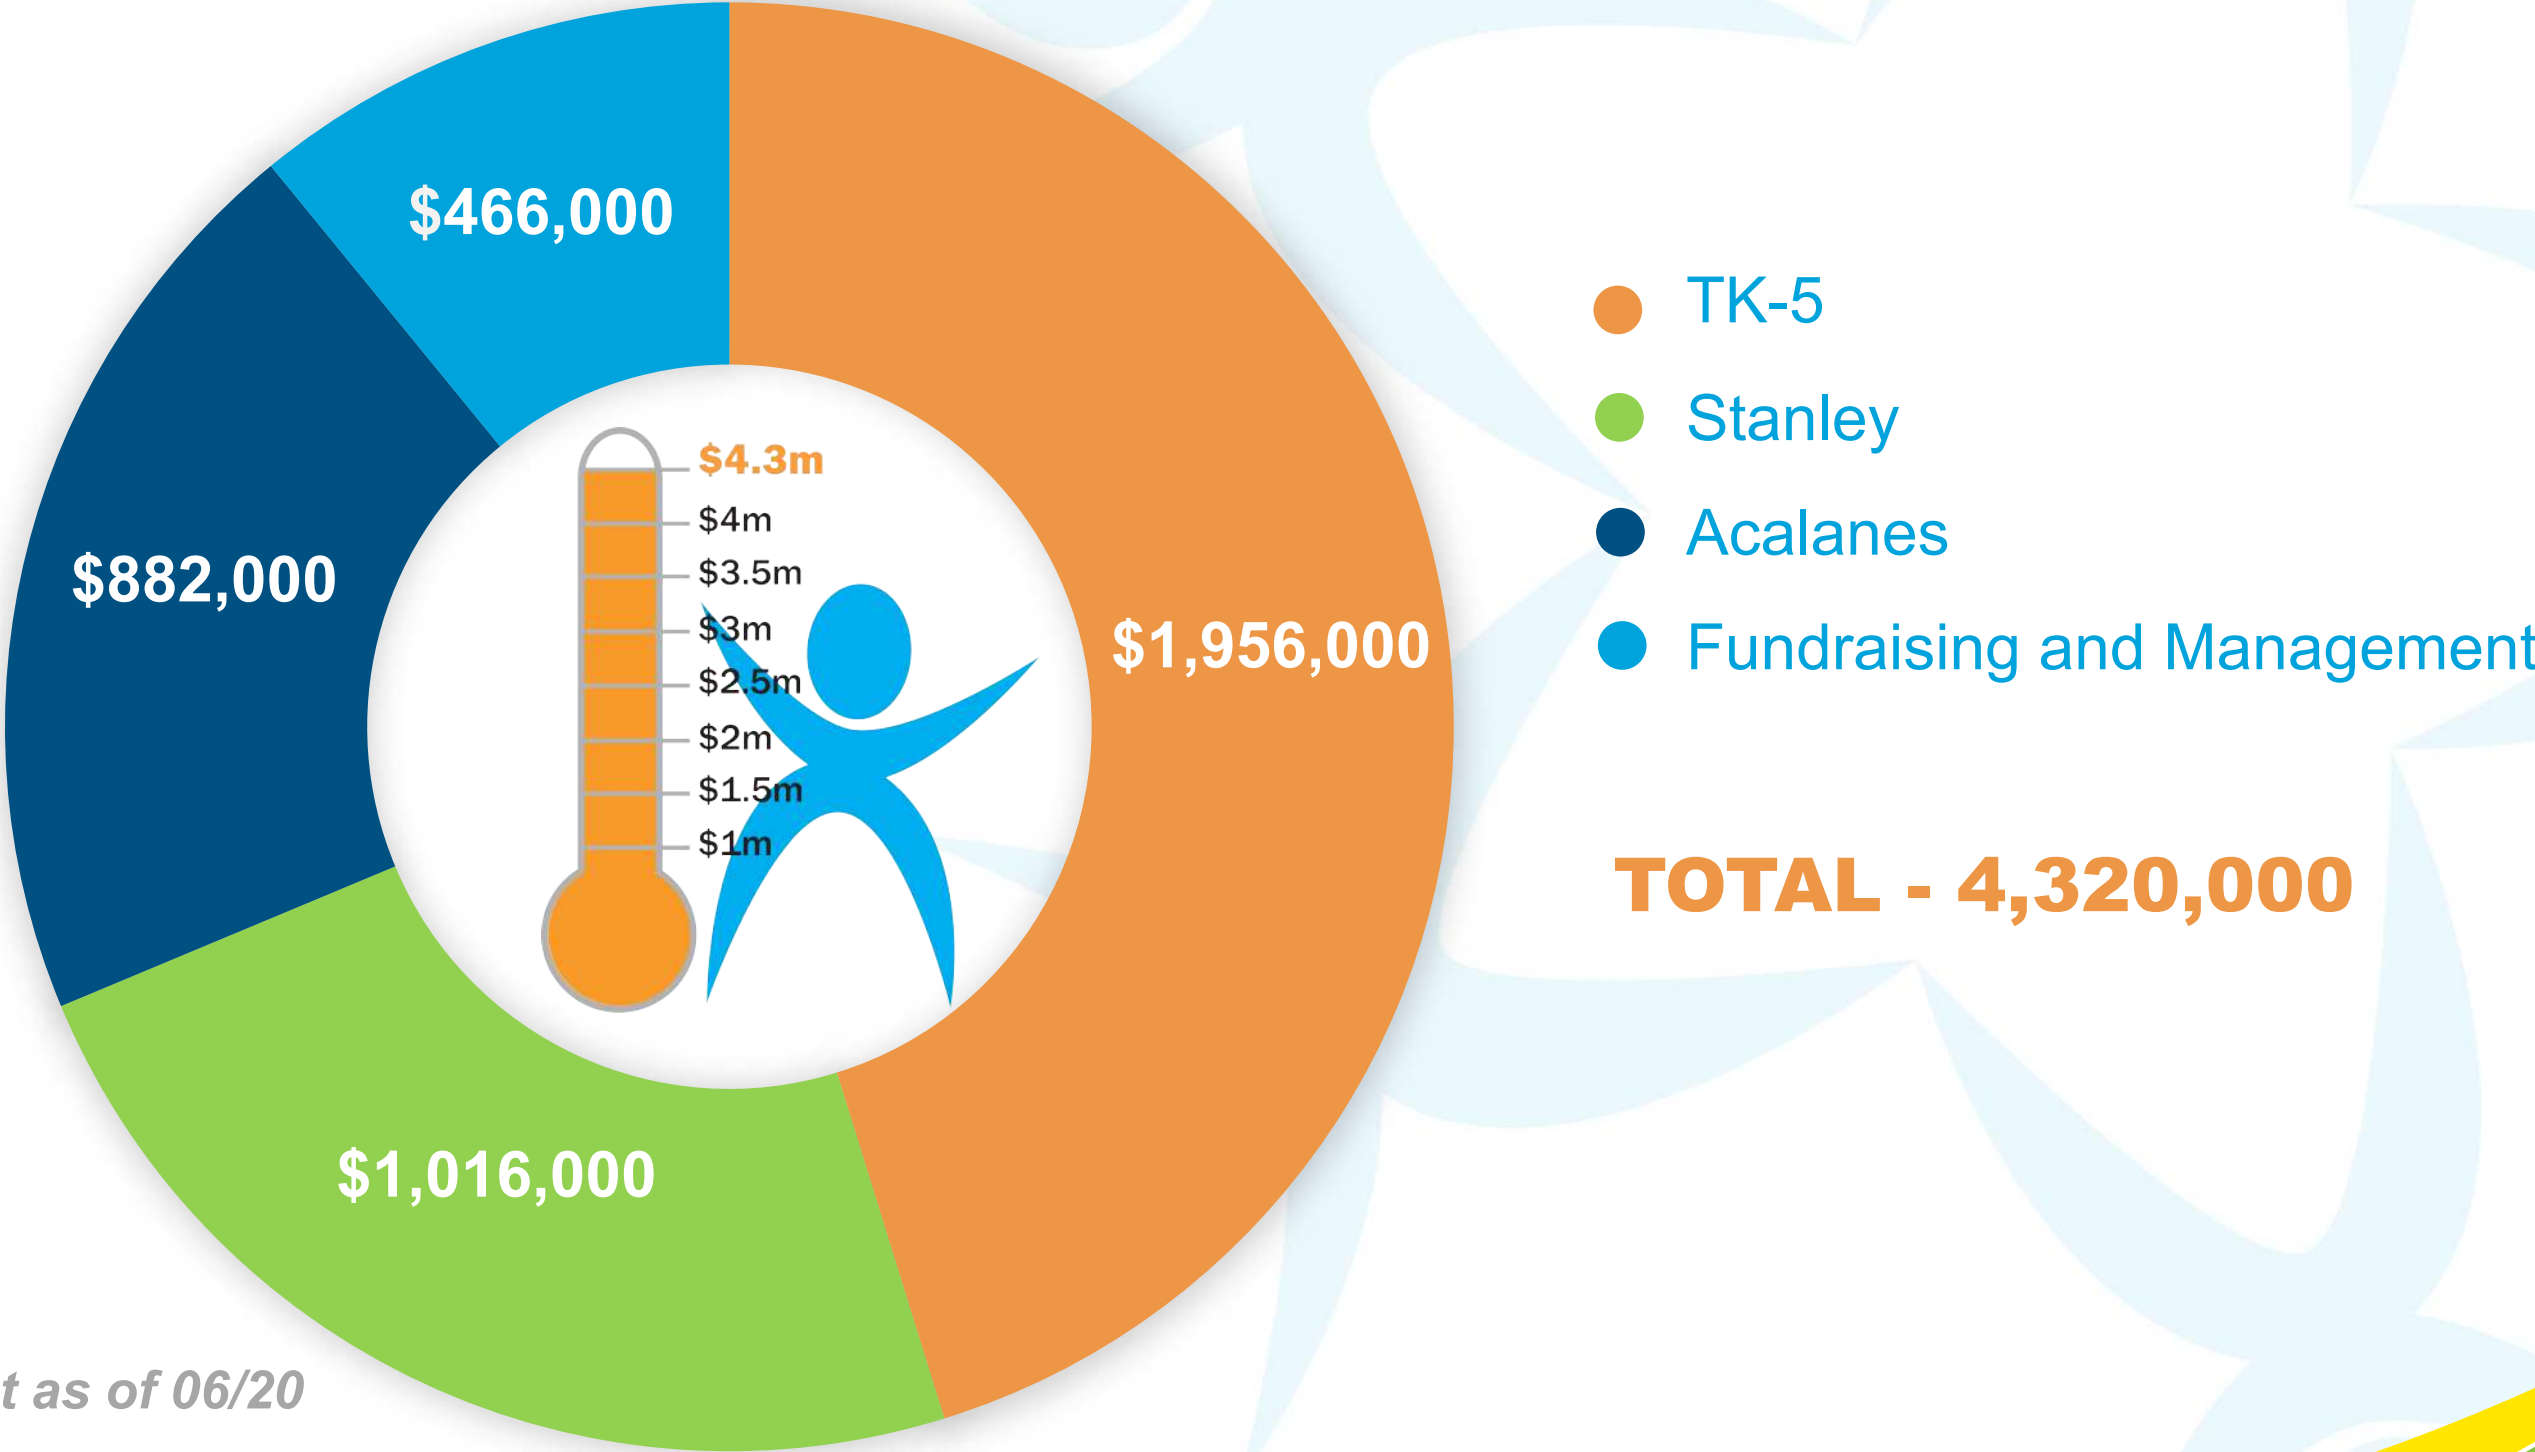

Throughout times of escalating costs and insufficient state funding, LPIE has been there for our schools. And while our donors have continued to be there for us—allowing us to successfully reach our commitment to the districts each year—the challenges continue to grow. In short, more dollars are needed today for our schools to maintain the programs they currently have.

To support LPIE's work in our schools or learn more about us, please visit...lpie.org.

LPIE Budget for 2020-2021

Fundraising goal - \$4,320,000

Preliminary budget as of 06/20

From Danielle Gallagher, Vice President 2020-2021

To help us meet these challenges, we ask for your participation at whatever level is comfortable for you. Please give as fully and as generously as you can, knowing that our support impacts our students' education each and every day.

Thank you for being a part of our team. *LPIE IS* effective, because of you.

Thank You to Our...
