

# LPIE ANNUAL REPORT

## 2020-21

THANK YOU to Our Parents, Businesses, & Community

## DEAR SUPPORTERS,

> [VIEW OUR 2020-21 DONORS HERE](#)

Thank you for your support of LPIE during this unprecedented year of distance and hybrid learning! LPIE ended the year meeting our fundraising goal. Credit goes to the many volunteer board members, team members, parent organization leaders, principals, district staff, and our incredible LPIE office team for making this such a successful year. **It is also important to recognize the incredible generosity of the community which gave to our schools in the midst of a pandemic.** This was no small feat and impacted our students' experience every day. Thank you for your generosity, your time, and your support.

**For 40 years, LPIE's mission has been to provide excellent educational opportunities for all students, and this year was no different.** While it was a year of reimagining these opportunities, your donations made it possible for our children to continue to experience art, science, and music lessons. At Stanley and Acalanes, your dollars enabled us to provide elective choices and supplies. LPIE also continued to fund teachers and staff, programs, and professional development. Additionally, we maintained a strong commitment to student wellness and social-emotional health including the Acalanes Wellness Center, an essential place for students to turn when they need support. These are just a handful of the dozens of staff, classes, programs, supplies, and initiatives that we funded – thanks to you.

We are grateful to our student and parent community, as well as our teachers and administrators, for their tireless advocacy for our children and for ensuring our students and families remained safe, healthy, and able to learn. But there is still work to do. As our public schools continue to be underfunded by the state and as costs continue to rise, the need for additional local funding grows. LPIE is ready for this challenge because our community values quality education. **We look forward to partnering with you in the coming year to continue to support our students from the first day to graduation day.**

We hope you will take a moment to read through this annual report to see what we have done and will continue to do with your donations. Again, thank you!

Sincerely,

LPIE PRESIDENT 2020-2021

# A YEAR REIMAGINED

## ELEMENTARY SCHOOLS (TK-5)

Weekly classes were offered to students so that, even during a unusual year, these learning opportunities were still possible.

19

art lessons

36

music lessons

36

science lessons

Aides continued to provide extra support in the classroom.

89

instructional aides

5

LPIE guest music instructors

## STANLEY MIDDLE SCHOOL

Electives allowed students to dabble in different subjects and explore what piqued their interest.

24 **electives**

Lunchtime clubs created by and for students, provided opportunities to build connections and friendships and created a space for everyone.

320 **students** signed up for **35+** **clubs**

## ACALANES HIGH SCHOOL

LPIE funded additional classes to engage students and provide expanded educational opportunities.

15 **electives**

45%

of the Acalanes student body had some personal contact with the Wellness Center – via programs, events, or class visits.

## ADDITIONAL ACHIEVEMENTS

**An incredible match in March!** Thanks to the generosity of a group of parents who collectively offered a **\$100k** match, LPIE raised an additional **\$174k!**

**10 parent education opportunities**  
Parenting is hard! Through LafSD's DPEC (District Parent Education Committee), LPIE funded workshops to provide tools and tips for parents.

To create connection, build engagement, educate, and show the impact of our donations. **LPIE reimagined how we communicate:**

**11** podcasts

**18** Newsletter articles

**90+** social media posts

**1000+** phone calls to supporters

## OUR 2021-21 FISCAL YEAR

- > We reached our fundraising goal thanks to each and every donor.
- > Our expenditures were lower than expected because our districts received one-time pandemic funds.
- > We look forward to continuing to make an impact in our schools in 2021-22 with your help.
